

09/888,840

Attorney Docket No. 13780-2

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Application of: ) Group Art Unit:  
WANG, et. al. ) Examiner: Not Assigned  
Serial No.: 09/888,840 ✓ )  
Filed: June 25 2001 )  
For: ARYL PHENYLHETEROCYCLYL )  
SULFIDE DERIVATES AND ) Pasadena, California  
THEIR USE AS CELL ADHESION- )  
INHIBITING ANTI- )  
INFLAMMATORY AND IMMUNE )  
SUPPRESSIVE AGENTS )

INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents  
Washington, D. C. 20231

Sir:

Attached is a Form PTO-1449 listing documents cited in the International Search Report from the corresponding application and believed to be relevant to the above-identified application. It is respectfully requested that these documents be considered by the Examiner and an initialled copy of the form be returned to the undersigned.

It should be noted that the word "prior" has been deleted from the form.

It is believed that this disclosure complies with the requirements of 37 C.F.R. 1.56 and the Manual of Patent Examining Procedures Section 707.05(b). If for some reason

the Examiner considers otherwise, it is respectfully requested that the undersigned be called so that any deficiencies can be promptly remedied.

Some part of the documents may have markings thereon. No significance is meant to be attached to the markings.

No. fee is believed due in connection with this communication. However, if it is determined that a fee is due, the Commissioner is hereby authorized to charge payment of any additional fees, in particular the following fees, associated with this communication, or credit any overpayment to Deposit Account No. 19-2090:

Respectfully submitted,

SHELDON & MAK  
a Professional Corporation

Date: 01/10/02
